2016/2017 PRICE GUIDE

THE BRIDE

HANDTIED BOUQUET	£70 - £150
WIRED SHOWER BOUQUET	£180 - £300
TEARDROP BOUQUET	£150 - £250
FLORAL HEADDRESS	FROM £25
FULL FLOWER CROWN	FROM £40
WIRED HAIR FLOWERS	FROM £10

We will ensure that your bouquet works with your dress, the venue, the season but most importantly with you. Choosing the right flowers in the tone and colour that suits your complexion and your hair colour is critical: it is as important as choosing the right tone of lipstick or blush.

The style and size of your bouquet needs to work with your stature, your style and the context of your wedding day: a magnificent, fully wired shower bouquet may look fabulous on its own but it would hide a petite bride, and a neat dome of roses for a tall, statuesque bride may not provide the impact that a trailing teardrop might.

Remember that bouquets can be heavy things (an equally important point if you plan throw your bouquet into a crowd of guests!...we can produce a special bouquet specifically for this purpose if you like).

2016/2017 PRICE GUIDE

BRIDESMAIDS AND FLOWER GIRLS

HANDTIED POSY	£40 - £80
FLOWERGIRL POSY	£20 - £50
FLORAL HEADDRESS	FROM £25
FULL FLOWER CROWN	FROM £40
WIRED HAIR FLOWERS	FROM £10
POMANDER	FROM £35
FLOWER WAND	FROM £12.50

Bridesmaids and flowergirls are, sorry to be blunt, essentially the bride's human accessories on the big day whose job it is to frame her in photos and remove confetti from her veil, or to look angelic walking down the aisle.

For adult bridesmaids this means working with the frocks firmly in mind and complementing the bridal bouquet and for flowergirls this means creating something extremely pretty that is as unlikely as possible to be (a) discarded in a convenient bush or (b) bashed over a page boy's head - even if it is just for the photos (here speaketh experience...).

2016/2017 PRICE GUIDE

THE MENFOLK

BUTTONHOLE

£8 - £15

Please do not forget the menfolk! Buttonholes should never be an afterthought – they are floral art in miniature and we love them, especially when adorned with a vintage tie pin, some steampunk-y antique watch cogs or some other object that the H&B magpies have found on their adventures.

THE VENUE

JAM JAR POSY TABLE CENTRES

£15 - £30

LOW TABLE CENTRES

£30 - £50

TALL TABLE CENTRES

£40 - £150

PEDESTAL ARRANGEMENTS

£80 - £200

CHAIR-BACKS/PEW-ENDS

£15 - £30

TOP-TABLE DISPLAYS

£50 - £100

From pew ends, door wreaths, flower garlands, chair backs, pedestal displays and table centres to magnificent floral sculptures or upside down parasols raining down showers of flowers (yes indeed) the flowers that adorn your ceremony and reception venues present the perfect opportunity to show your guests your personality and to go a bit crazy with the creativity.

2016/2017 PRICE GUIDE

As a guide, these price ranges for the classic designs are typical, but the usual cost will be somewhere in the middle.

This is by no means an exhaustive list of what we can create - from cake toppers to floral arches and column garlanding the only limit is what you can dream up!

You may prefer a simple rustic look with table centres of wild-looking garden flowers and ivy garlanding or maybe your guests will be treated to sparkling candelabras dripping with an avalanche of avalanche roses: the possibilities are endless.
